

Homeschool Science Series 2007-2008 Schedule*

September 19 th	Density and Mass #1
October 3 rd	Density and Mass #2
October 17 th	Motion and Gravity (incl. speed, velocity, acceleration)
November 7 th	Motion and Gravity (incl. speed, velocity, acceleration)
November 21 st	Magnetism
December 5 th	Electricity
December 19 th	Electricity (Circuits)
January 9 th	(note 2 nd Wed of the month) Color and Light
January 16 th	Measurement
February 6 th	Earth Science #1 – Rocks and Mineral Identification
February 20 th	Earth Science #2 – Volcanic Rocks
March 5 th	Earth Science #3 – Sedimentary/Metamorphic Rocks
March 19 th	Earth Science #4 – Topographic Mapping
April 2 nd	Spring and Growth
April 16 th	Mixtures and Solutions
May 7 th	Acids and Bases
May 21 st	Chemistry Fun

* Schedule subject to change.
