## Donor Wall (\$5,000+)

## Chairs/Benches (\$5,000)

Chairs and benches throughout the museum offer parents and caregivers a welcome chance to rest their feet after a long day of play. Sponsored benches have a plaque with the donor's name or family name on it.

## Stair Risers (\$2,500)

Donor stair risers line the beautiful, front and center marble staircase that greets families when they first enter the museum. Family name (or names of choice) can be listed on each riser, with the rest of the space available for creative personalization of your choice. Mark a moment in time with your child or grandchild's handprint, drawings, or signature!

Always believe that something wonderful is going to happen.

## Small & Large Bricks (\$500 & \$1,000)

These colorful bricks line the wall of KidsQuest's outdoor exhibit, Sticks + Stones. They face the sidewalk and parking lot where family members can say hello to their bricks on their way in to play. Bricks can be personalized with family names or quotes (maximum 80 characters for small bricks and 180 for large bricks).
