

## Carnival 2019

**WHAT:** KidsQuest Children's Museum Annual Fundraiser, Carnival

**WHEN:** Saturday, October 12, 2019 at 6:00 pm

**WHERE:** Meydenbauer Center  
11100 NE 6th St, Bellevue, WA 98004

**WHY:** Funds raised at Carnival enable KidsQuest to continue offering quality learning experiences for our community's children. KidsQuest's programs, interactive exhibits, whole-family workshops, and classes are offered at the museum and via outreach throughout the region to the broader community, regardless of ability or income.

**DETAILS:** Carnival offers guests the chance to experience the power of play. Guests test their luck, creativity, and skill at carnival-style games designed to reflect KidsQuest's innovative programming offered to patrons and community members daily. The program includes a seated dinner as well as speakers and content focused on who the museum serves, why support is crucial, and how it impacts the community. There is a "Raise-the-Paddle" ask at the end of the program, and is the critical fundraising element of the evening.
