

## **Health & Safety Policy:**

To ensure the safety of our visitors and staff, KidsQuest Children's Museum requires that anyone entering the facility be free of the following symptoms that are related to the COVID-19 virus. Symptoms include, but are not limited to, fever, chills, cough, shortness of breath, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea. By reserving tickets, you confirm that all members of your group are not currently experiencing these symptoms and that you will reschedule your visit should any symptoms present themselves before entry.

## **Mask Policy:**

By reserving a ticket, you are agreeing all members of your group will adhere to the following mask policy:

- We require that all visitors ages 3+ wear a mask.
- Face coverings must cover your nose and mouth throughout the duration of your visit both indoors and out.
- Mesh masks and masks with vents are not accepted.
- Medical exemptions are not accepted.
- For children with sensory processing concerns please reach out for more information on exceptions.

## **Proof of Vaccine or Negative Test Policy: (Effective 10/25/21)**

By reserving a ticket, you are agreeing all members of your group will adhere to the following policy:

- In compliance with the current King County mandate, all visitors ages 12 and over must present one of the following to enter the museum:
  - Proof of vaccination via a physical card, legible photo of your vaccine card, or use of the MyIRMobile app.
  - A negative COVID-19 test taken within 72 hours prior to your visit.

## **Waiver:**

An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is a very contagious disease that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and visitors with underlying medical conditions are especially vulnerable. By reserving tickets, you acknowledge that you understand and voluntarily assume all risks related to exposure to COVID-19 for all members of your group.
